MrBeast Burger is a virtual restaurant brand created by YouTube superstar and philanthropist Jimmy Donaldson a/k/a MrBeast and Virtual Dining Concepts (VDC). With its innovative menu offerings and exceptional customer experience, MrBeast Burger has quickly gained recognition and popularity world-wide, especially in the United States, the United Kingdom, the United Arab Emirates, and Canada with a total number of over 3000 locations. Tomorrow's launch brings for the first time ever MrBeast Burger to Italy and marks a new chapter for Helbiz Kitchen and for the brand.

"We are extremely excited to bring MrBeast Burger for the first time to Italy through our partnership with Virtual Dining Concepts," said Salvatore Paella, CEO of Helbiz. "Our customers in Milan can now enjoy the unique taste and experience of MrBeast Burger, delivered right to their doorsteps through the Helbiz Kitchen app. We believe that the launch of this brand will be a game changer for the food delivery industry in Italy, and we are confident that this partnership will help Helbiz Kitchen reach profitability as we continue to bring innovative and exceptional dining experiences to customers in Italy and beyond."
