micromobility.com Inc. to Offer Same-day Delivery in New York City Beginning May 2023

April 3, 2023

NEW YORK--(BUSINESS WIRE)--Apr. 3, 2023-- micromobility.com Inc. (NASDAQ: MCOM), leading micromobility ecosystem, is pleased to announce the introduction of same-day delivery options for customers in New York City starting in May 2023. This development follows the successful launch of the company's e-commerce platform and the planned expansion of its brick-and-mortar store network. micromobility.com Inc. continues to prioritize customer experience by offering swift and convenient delivery services.

The same-day delivery option in NYC will enable customers to receive their orders from micromobility.com Inc.'s comprehensive selection of micromobility related products, accessories, and services on the same day they are placed, for all orders arriving on the platform by 11AM ET. This offering aims to elevate customer satisfaction and streamline the purchasing process, setting a new benchmark in the rapidly expanding micromobility market.

"Implementing same-day delivery in New York City exemplifies our dedication to delivering an exceptional customer experience in each one of our lines of business," stated Salvatore Palella, CEO of micromobility.com Inc. "With this new service, we not only cater to the demands of urban commuters and city dwellers but also reinforce our position as the premier destination for micromobility solutions."

Covering all five boroughs of New York City, the same-day delivery service will provide customers with seamless access to sustainable, eco-friendly transportation alternatives. As part of its ongoing mission to promote environmentally responsible commuting and cultivate a culture of efficient urban mobility, micromobility.com Inc. intends to extend this service to other cities in the future.

About micromobility.com Inc.

micromobility.com Inc., a disruptive leader in the micromobility sector, founded by Salvatore Palella in 2015, combines expertise in retail, shared services, and vehicle rentals to revolutionize urban transportation. With operations spanning across the US and Europe, the holding group encompasses shared micromobility solutions through Helbiz Inc., vehicle rentals via Wheels Labs Inc. and e-commerce and planned brick-and-mortar stores via the micromobility.com brand. Committed to providing eco-friendly, affordable solutions and enhancing global accessibility, micromobility.com Inc. sets the standard for professional excellence in the micromobility landscape.
