micromobility.com Inc. Announces Final Pre-Order Date for Wheels One to Ensure 2023 Delivery

April 6, 2023

NEW YORK--(BUSINESS WIRE)--Apr. 6, 2023-- [micromobility.com](https://www.micromobility.com) Inc. (NASDAQ: MCOM), leading micromobility ecosystem, today announced the last date for pre-orders of the Wheels One to guarantee delivery by the end of 2023. The ongoing third round of pre-orders, available at [micromobility.com](https://www.micromobility.com) for 1.699 USD, enables customers to secure their Wheels One vehicle by placing orders no later than April 30th. Orders submitted after this deadline will be scheduled for delivery throughout 2024 during the subsequent production round.

WHEELS ONE

**Order by April 30th
to receive it by the
end of 2023.**

[micromobility.com](https://www.micromobility.com)

[micromobility.com](https://www.micromobility.com) Inc.'s CEO, Salvatore Palella, stated, "The impressive demand seen in the initial two pre-order rounds clearly demonstrates the increasing popularity of sustainable transportation solutions like the Wheels One. By offering this final pre-order opportunity, we aim to empower environmentally-conscious customers to lead the charge towards a greener and more sustainable future in transportation, with their vehicles arriving by 2023."

The Wheels One presents a sophisticated approach to eco-friendly transportation, featuring a 48V 750W motor for enhanced performance, a Lidar sensor system for advanced safety, hydraulic disc brakes for reliable stopping power, a durable one-piece aluminum alloy frame, and an expansion port for seamless integration of custom accessories. The vehicle's components are produced in Taiwan and subsequently assembled in the United
