Convenient Location for Enhanced Support

Situated at 1236 Atlantic Ave., Brooklyn, our new service location and subscription center is poised to enhance the [Micromobility.com](https://www.micromobility.com) Inc experience for our customers. Officially opening its doors on Monday, the 18th of this month, this facility will be immediately available to assist any customers in need of bike maintenance or those who prefer the convenience of subscribing without traveling to the city.

Subscription Services and Exclusive B2B Partnership Hub

At our Brooklyn location, customers can access subscription services, ensuring seamless and convenient micromobility experiences. Additionally, we are delighted to introduce a 'pick up in store' option, making it easier than ever for our customers to get their hands on our innovative micromobility products.

the exclusive hub for B2B partnerships, including industry leaders like Uber Eats. This strategic collaboration aims to revolutionize urban mobility solutions for businesses and delivery services in the city.

Soho and Brooklyn - Collaborating for Customer Satisfaction

Our Soho and Brooklyn locations will work in harmony to ensure the utmost customer satisfaction. Whether it's exploring the latest micromobility solutions, accessing maintenance services, or picking up your subscription, we're here to make your experience exceptional.

A Paradigm Shift in Micromobility

[Micromobility.com](https://www.micromobility.com) Inc is proud to be at the forefront of changing how people perceive and experience micromobility in urban environments. Our Brooklyn service location represents a functional pilot that paves the way for expansion to other cities in the near future.

Salvatore Palella, CEO of [Micromobility.com](https://www.micromobility.com) Inc, expressed his enthusiasm for this expansion, stating, "We are excited to bring the convenience and innovation of micromobility to Brooklyn. Our goal is to make urban transportation easier and more accessible for all, and this is a significant step in that direction."
