#### **Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

(a) On May 26, 2021, the Chief Executive Officer and Chief Financial Officer of GreenVision Acquisition Corp. (the “Company”) concluded that the Company’s interim condensed financial statements as of March 31, 2021 and for the three month period ended March 31, 2021 (the “Interim Financial Statements”) included in the Company’s quarterly report on Form 10-Q filed by the Company on May 25, 2021 (the “Form 10-Q”) should no longer be relied upon as subsequent to the Company’s filing of the Form 10-Q, the Company became aware that the application of guidance associated with “ASC 480: Distinguishing Liabilities from Equity” needed to be modified to appropriately present the impact on the accounting treatment of the temporary equity as a result of the private investment in public equity transactions that are the subject of the Subscription Agreements entered into by the Company and Helbiz, Inc. (“Helbiz”) with certain investors on March 10, 2021 (the “PIPE Investment”) in connection with the Company’s proposed business combination with Helbiz, as previously disclosed in the Company’s Current Report on Form 8-K filed on March 11, 2021. This modification to the accounting treatment of equity related to the PIPE Investment required the Company’s common stock to be reclassified from permanent equity to temporary equity in the form of common stock subject to possible redemption. Thereafter, on May 27, 2021, the audit committee of the Company’s board of directors (the “Audit Committee”), after considering the recommendation of the Company’s executive officers, determined that the Interim Financial Statements should be restated. Following consideration of the guidance referenced above, it was determined that the Interim Financial Statements should be revised to reflect, among other things, a reclassification of the Company’s common stock between temporary and permanent equity, resulting in changes to the Company’s temporary equity, additional paid-capital, accumulated deficit and basic and diluted loss per share. The Company intends to reflect this reclassification of its common stock in an Amendment No. 1 to the Form 10-Q that the Company will file reflecting the reclassification of the common stock to temporary equity and setting forth through expanded disclosure in the financial statements the restatement and its impact on the previously reported Interim Financial Statements.

The Audit Committee and the Company’s management have discussed the matters disclosed in this Current Report on Form 8-K pursuant to this Item 4.02(a) with Marcum, LLP, the Company’s independent registered public accounting firm.

## **Forward-Looking Statements**

This Current Report on Form 8-K includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. GreenVision and Helbiz's actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. Such statements may include, but are not limited to, statements regarding the Company's intent to restate certain historical financial statements and the timing and impact of the Restatement. In addition, these forward-looking statements include, without limitation, GreenVision's and/or Helbiz's expectations with respect to future performance and anticipated financial impacts of the business combination, the satisfaction of the closing conditions to the business combination and the timing of the completion of the business combination. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside GreenVision's and Helbiz's control and are difficult to predict. Factors that may cause such differences include, but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement or could otherwise cause the business combination to fail to close; (2) the outcome of any legal proceedings that may be instituted against GreenVision or Helbiz following the announcement of the Merger Agreement and the business combination; (3) the inability to complete the business combination, including due to failure to obtain approval of the stockholders of GreenVision or other conditions to closing in the Merger Agreement; (4) the receipt of an unsolicited offer from another party for an alternative business transaction that could interfere with the business combination; (5) the inability to obtain the listing of the common stock of the post-acquisition company on the Nasdaq Stock Market or any alternative national securities exchange following the business combination; (6) the risk that the announcement and consummation of the business combination disrupts current plans and operations; (7) the ability to recognize the anticipated benefits of the business combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably and retain its key employees; (8) costs related to the business combination; (9) changes in applicable laws or regulations; (10) the possibility that Helbiz may be adversely affected by other economic, business, and/or competitive factors; (11) the impact of COVID-19 on the combined company's business; and (12) other risks and uncertainties indicated from time to time in the proxy statement to be filed relating to the business combination, including those under "Risk Factors" therein, and in GreenVision's other filings with the SEC. Some of these risks and uncertainties may in the future be amplified by the COVID-19 outbreak and there may be additional risks that GreenVision considers immaterial or which are unknown. GreenVision cautions that the foregoing list of factors is not exclusive. GreenVision cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. GreenVision does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
