We anticipate significant changes in the results of operations for the second quarter of 2021 from the corresponding period of 2020 due to the ongoing growth of our business including among other items (i) the business combination whereby we acquired Helbiz Holdings, Inc., (ii) the introduction of our micro-mobility services in new cities and the cancelation of such services in others, (iii) the increase in the size of our fleet in certain cities where we operate, (iv) the acquisition of our license to be the exclusive distributor of the media rights to the Italian Serie B Soccer League outside of Italy and a non-exclusive license inside Italy and (v) the initiation of Helbiz Kitchen, our service through which users can order food for delivery through our mobile app. Because we have been unable to complete all work necessary with respect to the Quarterly Report on Form 10-Q for the period ended June 30, 2021, we are not able to reasonably estimate these changes at this time.
